CONFIDENTIALITY & DISCLAIMER

All materials and information received or derived from Open Market CRE its directors, officers, agents, advisors, affiliates and/or any third party sources are provided without representation or warranty as to completeness, veracity, or accuracy, condition of the property, compliance or lack of compliance with applicable governmental requirements, developability or suitability, financial performance of the property, projected financial performance of the property for any party's intended use or any and all other matters.

Neither Open Market CRE its directors, officers, agents, advisors, or affiliates makes any representation or warranty, express or implied, as to accuracy or completeness of the any materials or information provided, derived, or received. Materials and information from any source, whether written or verbal, that may be furnished for review are not a substitute for a party's active conduct of its own due diligence to determine these and other matters of significance to such party. Open Market CRE will not investigate or verify any such matters or conduct due diligence for a party unless otherwise agreed in writing.

EACH PARTY SHALL CONDUCT ITS OWN INDEPENDENT INVESTIGATION AND DUE DILIGENCE.

Any party contemplating or under contract or in escrow for a transaction is urged to verify all information and to conduct their own inspections and investigations including through appropriate third party independent professionals selected by such party. All financial data should be verified by the party including by obtaining and reading applicable documents and reports and consulting appropriate independent professionals. Open Market CRE makes no warranties and/or representations regarding the veracity, completeness, or relevance of any financial data or assumptions. Open Market CRE does not serve as a financial advisor to any party regarding any proposed transaction. All data and assumptions regarding financial performance, including that used for financial modeling purposes, may differ from actual data or performance. Any estimates of market rents and/or projected rents that may be provided to a party do not necessarily mean that rents can be established at or increased to that level. Parties must evaluate any applicable contractual and governmental limitations as well as market conditions, vacancy factors and other issues in order to determine rents from or for the property.

Legal questions should be discussed by the party with an attorney. Tax questions should be discussed by the party with a certified public accountant or tax attorney. Title questions should be discussed by the party with a title officer or attorney. Questions regarding the condition of the property and whether the property complies with applicable governmental requirements should be discussed by the party with appropriate engineers, architects, contractors, other consultants and governmental agencies. All properties and services are marketed by Open Market CRE in compliance with all applicable fair housing and equal opportunity laws.

Property Description

PROPERTY DESCRIPTION

The City Center Offices property is zoned B-2 and per zoning compliance letter, allows for Medical Use and Professional Offices. Mixed Use Zoning borders the property and will bring an influx of new residents to the City Center of Coral Springs.

Medical Use and Professional Offices are allowed in the building. Medical Use would need to be complimentary to current Med Spa and General Practitioner services already offered. There is an elevator available for access to this prime Penthouse Suite.

Tenant Improvements and allowances are possibly available via negotiation of tenant credit worthiness and lease term being offered. Brokers are protected and commissions being offered to cooperating brokers. Long term lease is available.

LOCATION DESCRIPTION

The City of Coral Springs is located in the NW area of Broward County Florida of Southeast Florida bordering the City of Parkland to the North and the City of Tamarac to the South. NW Broward County is known for a high quality of life amongst the local residents and recognized as a multiple Governors Sterling Award for Performance Excellence. Additionally, they are the recipient of the International City-County Managers Association's Marketplace Innovation Award. Coral Springs serves as a national role model for cities similar in size.

Coral Springs is widely known for its meticulously planned development. The City was designed with a focus on green spaces, parks, and an abundance of trees. The City is known per the reputation as a "City in the Country" and consistently ranks as one of the best places to live in Florida. The City of Coral Springs it notable for its contribution to education, arts, sports, recreation, community events and amenities.

The Downtown Area of Coral Springs is recent news as the City initiative for high walkability and added retail with residential density allowances are reshaping and creating a City Center. Growth will only continue in the years to come as future planned developments include but are not limited to Cornerstone Plaza and City Village. These massive development projects are reshaping the City to a true urban competitor to any South Florida City based on population size.

The City Center Professional Office leasing opportunity is perfectly positioned due to immediate area growth prospective in addition to proximity to the Broward Health Coral Springs Hospital. This leasing opportunity is right in the middle of one of the highest demographic markets in all of South Florida.

PROFESSIONAL BACKGROUND

Steven Paulsen is the Broker of Record for Open Market CRE and Commercial Real Estate Veteran of 20 years. His vision for opening markets to all participants is the driving force behind development of the platform for the firm. Collaboration is an often-overused term in the broader commercial real estate space. Mister Paulsen has witnessed this firsthand having spent time at the nation's largest private equity investment sales firms. It is a guiding principle for the firm that the current CRE model is ripe for disruption and the Open Market CRE is different by engaging the largest possible buyer pool of any firm through absolute collaboration.

Leading teams and educating newer to the business investment sales associates is certainly a passion for Steven Paulsen. He is known in the industry as being highly skilled with technical abilities beyond most that will assist clients in achieving their portfolio goals. Servicing private equity investment clients is foundational to everything that Open Market CRE does. Whether the client is moving into tax advantaged opportunities or moving out of commercial real estate altogether, the Open Market CRE platform is the key to client success.

In his time away from the business, Steven Paulsen spends time either on the sandbars in the beautiful waters of South Florida or you might find him in the NC mountains hiking and taking in the nature's finest offerings. He is an avid believer that taking time with family is paramount to a happy, healthy lifestyle.

"Commercial Real Estate is ripe for disruption, Open Market CRE is here to be the disruptors".

When it comes to maximizing value for our Investment Sales clients', the Firm's guiding principle is that the Open Market should always decide the outcome. The traditional CRE brokerage model is too focused on selling their own listings thereby leaving money on the table for their clients'. We are here to change that model executing on the highest level of collaboration in the industry.
